

## **Dear brother, companion in labour, and fellowsoldier**

We would like to make you participate in the youth project that we have embraced within our virtual Bible Institute Discover the Bible, and the Sukat David community.

Our UNIMEIR youth discipleship project is focused on young people truly committed to ministry and whose purpose is to serve in the future with their gifts for the call to preach the Gospel, some of the young prospects, although they have all the desire, do not count on the necessary resources to pay for their studies at UNIMEIR, which are only for the project to be sustainable and self-sufficient.

That is why we seek the support of our militia comrades from our international network who have benefited from this ministry and believe that it would be a blessing to sow in these young people and do so with a happy heart as it is written.

For years we have maintained the ministry distinctive of trusting fully in God for our provision and never ask for money for anything related to ministry, however, when it comes to helping someone else and especially our young people we want to simply apply the principle Biblical of

***Romans 10:15 (KJV) 15 And how shall they preach unless they are sent? As it is written: How beautiful are the feet of those who announce peace, who proclaim good news!***

We as adults have the opportunity to sow in a remnant of young people of a generation increasingly indifferent to the things of God, if you would like to be part of the solution sowing in these young people, through a scholarship program of study, with a cost of \$ 1550 dollars, for a 4 month period, which includes all their lodging, food and tuition expenses so you could make their dreams viable and also contribute in a very fruitful way to our world community, knowing that God can do it without our help, but it gives us the privilege to participate.

Note: Unimeir's income also serves for the maintenance and operation of UNIMEIR and SukatDavid installations, from where we record our videos and audios of biblical studies.

As it is written:

*Not that I look for gifts, but I seek fruit that abounds in your account ... Phil 4:17*

P.S. Ways to support, monthly contribution or single contribution per period, please contact Abril Morado, administrator of this project to mail: [red.descubrelabiblia@icloud.com](mailto:red.descubrelabiblia@icloud.com) to express your desire to support this work.

We pray that ABBA blesses you abundantly
